Domestic Mission Trips

IV currently has a domestic mission program in New Orleans, helping rebuild after Katrina. We are looking to add new domestic mission trips.

Our goals:

- Have at least 50% of the students attend be non-Christian.
- See non-Christians go from cynic to seeker to follower of Jesus.
- Rebuild economically deprived areas of New Orleans and the Gulf Coast.
- Disciple the students back on campus with help from Church members.

Results of Katrina Relief Urban Plunge (KRUP)

- Over 320 non-Christians attended this year, and thirty gave their life to Christ, and are now being discipled on campus!
- Rebuilding of many homes in the economically deprived regions of New Orleans.
- Used to plant IV chapters on campuses in NE. 15 new campuses in 2011
- Students joining the Churches of the volunteers they met on the trip.
