INTERVARSITY CHRISTIAN FELLOWSHIP/USA

University of New Hampshire

Cynic to World Changer

- Student movement of thirty-five students. Our goal is to see that increase to seventy by 2012.
- Had two students participate in overseas missions, our goal is to see five go next year.
- Only 1.5% of the campus is Christian, our goal is to increase that number to 10% in partnership with other ministries.
- Partnership with local Churches in hopes that our students will see the value of Church. Partnership will include shared events and mentoring.

Cynic to Follower

- In 2011, seven hundred and fifty students attended, thirty received Christ. In 2012, we hope to see eight hundred attend and fifty receive Christ.
- In 2011, the program was seven weeks and forty-two campuses sent students. In 2012 our goal is to have an eight week program with fifty campuses involved.
- The project is getting national recognition from InterVarsity, and being used to model other spring break mission trips.

Hispaniola Summer Mission

Leader to World Changer

- In 2011, we had seven students attend from six universities. In 2012, our goal is to have twelve students from eight universities.
- Forming a community development program with Batey Brador (above), offering educational and medical services.
- In 2012 our goal is to do half the project in La Romana, DR and half the project in Port-au-Prince, Haiti.
- Returning students engage all of their campus through interactive programs, focused on issues they saw in DR.
