

After doing missions for two years in Kazakhstan and working in business for two more, I have moved into a role with InterVarsity Christian Fellowship (ICF)

I will work part time with ICF's New England mission program in New Orleans and in the Dominican Republic. I will also work part time as UNH's campus minister, combining my desire to see New England students reached for Christ and my commitment to the cross cultural mission of the Church.

This new position is a strategic use of my evangelism and leadership gifts that will be needed when working with students at UNH, or with students and staff in New Orleans and the Dominican Republic.

It is with joy that I welcome you on this journey with me!

In Christ,

Brendan Jorgensen
